ACSE Sponsorship Program – Year 2015

The Association of Chinese-American Scientists and Engineers (ACSE) (<http://www.acse.org>) is one of the largest Chinese American professional associations in the United States of America. Founded in 1992, ACSE is a not-for-profit, non-political professional organization headquartered in Schaumburg, Illinois with regional chapters in over 30 states. ACSE has 15 local chapters and 14 professional societies covering engineering, science and technology, medical and biotechnology, law, business management, and many other areas. The association currently has several thousand registered members and more than 90 percent of its members hold Ph.D. or Master's degrees.

The principles of ACSE are "Cooperate, Develop and Contribute". Since its foundation, ACSE has been playing an important role in promoting interactions between US and China in varieties of areas, including science and technology, finance and business, government agencies, art and culture, and education. ACSE has organized many activities including annual conferences to facilitate the idea exchange between people from both countries, and to promote business and investment opportunities for American and Chinese corporations as well as individuals. For example, ACSE has organized forums for Chinese cities/economic zones (Beijing, Tianjin, Wuhan, Wuxi, Zhangjiagang, Changzhou) in promoting business and job opportunities for Americans in China; ACSE has held conferences for large Chinese corporations (BAIC Group, Shenhua Group, Sany America and Haier Group) looking for business and investment opportunities in USA; ACSE has sponsored job fair by American and Chinese companies during ACSE annual conferences; ACSE has organized seminars on career development and entrepreneur opportunities. All the efforts and achievements of ACSE have been applauded by senior governmental officials and prominent leaders from both countries. Chinese President Jiang Zemin, Hu Jintao received the ACSE delegation several years ago. The first US ambassador to China, Mr. Woodcock, former US Secretary of Defense, Mr. William Cohen, former Chinese Ambassador to US, Mr. Daoyu Li, Vice Minister of Commerce of China, Jian Yaoping and Fu Ziyang, and dozens of prominent leaders attended and addressed at the ACSE annual conferences as keynote speakers.

The success of ACSE attributes to the contributions from all ACSE members, to the supports from the societies and communities. ACSE greatly appreciates and thanks all individuals, companies, organizations and governmental departments for their support and contributions.

ACSE is actively seeking sponsorships from corporate and individuals in China and US to support its future activities. That includes but is not limited to its annual conference, seminars on job training and career development, talent acquisition and job fair, promotion on cultural diversity and community service. As an IRS certified 501 (c) (3) non-profit organization, ACSE is eligible to receive tax-deductible donations.
